

## Aboriginal Alcohol and Drug Service

Healing Aboriginal Peoples:  
Mind, Body and Spirit

### How can we help?

We provide support and programs to youth, families, men and women (and their children), who are experiencing alcohol and drug problems.

### Where?

You can see us at our Royal Street office, one of our community locations or another suitable location that you feel comfortable in, such as, a local park or your home.

### How?

- Just walk in
- Phone us
- Ask for a referral from any health or community service that you are already connected with, such as Health Services, Employment Services

### What can we do?

When you first come to see us we will have a yarn about your concerns and needs. From there we can work together to plan the support you need.
